## HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that House Bill 1732 be amended to read as follows:

1           Page 2, line 42, after "ADM." insert "An eligible pupil who was  
2       **not included in the initial ADM count of a school corporation may**  
3       **be included in the second ADM count of that school corporation**  
4       **only if the eligible pupil was included in the initial ADM of another**  
5       **school corporation in Indiana. The school corporation conducting**  
6       **the second ADM count shall provide the department with the**  
7       **student test number or other identification number specified by the**  
8       **department of each eligible pupil included in only one (1) of the two**  
9       **(2) ADM counts used to compute average ADM. The amount by**  
10       **which a school corporation's average ADM exceeds the initial**  
11       **ADM count for the school corporation shall be allocated to each of**  
12       **the school corporations from which eligible pupils transferred in**  
13       **proportion to the number of eligible pupils who transferred from**  
14       **each school corporation. The amount by which a school**  
15       **corporation's average ADM is less than the initial ADM count for**  
16       **the school corporation shall be allocated to each of the school**  
17       **corporations to which eligible pupils transfer in proportion to the**  
18       **number of eligible pupils who transfer to that school corporation.**  
19       **The state tuition support for each school shall be recomputed based**  
20       **on the resulting difference in ADM. However, increases and**  
21       **decreases in state tuition support for the affected school**  
22       **corporations shall be calculated based on the lowest of the**  
23       **transition to foundation amounts or foundation amounts used by**  
24       **either affected school corporation."**
